

JESUS FEEDS THE FIVE THOUSAND

John 6:1–13

Key Verse: 6:9

1. Where did Jesus go, who followed him, and why (1–2)? What did Jesus do, and why (3)? What time of year was it (4)?
2. What did Jesus see, what did he say to Philip, and why (5–6)? What do you think “he himself knew what he would do” means? What can we learn here about Jesus, and why is it so important to know this?
3. How did Philip answer Jesus, what was he trying to say, and what does it show about him (7)? How are we sometimes just like Philip?
4. What did Andrew say, and what does this show about him (8–9)? What is the contrast between the boy’s lunch and the hungry crowd? What can we learn from Andrew, and why is this crucial for disciples of Jesus to learn?
5. What did Jesus tell his disciples to do, and how would this be an act of faith (10)? What did Jesus do, and what does it reveal about him (11)? What else did he tell his disciples to do, how much was left over, and what lessons did he want them to learn from this (12–13)?
